

Volunteer to help at local youth robotics tournaments!

Become a **FIRST**® Volunteer

FIRST® programs inspire innovation and leadership through engaging, hands-on robotics challenges developed to ignite curiosity and passion in students in grades K-12. FIRST is a proven game-changer for preparing kids to solve the world's greatest problems.

Volunteers fuel the FIRST mission, and impact more than 500,000 young people around the world each year. Together we're inspiring the next generation of innovators, technology leaders, and changemakers. Whatever your expertise, FIRST has an event volunteer role, coach or mentor opportunity for you.

Upcoming Tournaments around the Los Angeles Region

Inglewood, Perris, Palmdale, Monrovia, Los Angeles, Santa Clarita, Claremont & More

48 League Meets: Early November—End of January

6 InterLeague Tournaments: January 25th—Feb. 23rd

1 Regional Championship: March 7th

Follow these steps for event volunteering:

1. Create an account at www.firstinspires.org
2. Click the Volunteer Registration tab & click 'Volunteer at an Event'
3. Filter events by area
4. Select roles you are interested in
5. Complete your required youth protection background screening

Whether you are a business, organization or individual, we have a volunteer opportunity for everyone! Technical and non-technical roles are available.

"To transform our culture by creating a world where science and technology are celebrated and where young people dream of becoming science and technology leaders." Dean Kamen, Founder
